It was a wonderful year considering the overall performance of the Club. In the administrative sector the club has added five new members during the year and the total members strength stands 59 as at the end of the year. It is a matter of great pleasure to note that retention is 100 % during the year. A very good representation of the club has participated in the District Conference and Multiple Convention. Financial obligation has been complied with as per norms of the International and District.

During the period under report the Club has organized the Charter Anniversary, DG Official Visit and Installation Ceremony as per guide lines of the International. This year PID Lion Bishnu Bajoria installed the newly elected Board. We are grateful to PID Bajoria. Club strictly followed the rules and regulations stipulated by the International Association of Lions Clubs , Multiple and District.

All the permanent projects are running very well. Sponsored Projects are fully functional and steadily running towards target of declaring Blindness free village in the project area within the coming year.

Club has observed different dates like Doctors Day, Melvin Jones Birthday, World Sight Day, Independence Day , Netaji Subhas Birthday , Republic Day. The Centenary Foundation Day of International Association of Lions Clubs has been observed with much fanfare on 7<sup>th</sup> June,2017. A mass rally was organized and the number of participants was around 250 nos. A "Sit & Draw" competition was organized and a grand Cultural Evening was organized where the students of Lions Academy displayed their skill in Dance, Compilation, Musical drama and Recitation. Out of the temporary projects which are need to mention here is Sight for Kids programme. A total number of 6 schools have participated in the programme and no. of students screened was 2686 and 22 nos sent to hospital for further treatment and specs provided free of costs. A Blood Donation camp was organized and 78 bottle blood collected in assistance with Kathuriapaara Durgotsab Committee. A diabetic Detection Camp was organized on 28<sup>th</sup> August,2017 . No of beneficiaries were 54.

Thanks and best regards to all beneficiaries, employees, suppliers, local administration , panchyats , local institutions my members and finally to all people of the service area.

# PROJECT REPORT

## 2016-17

Lion Pradip Kumar Roy, Chairman, Board of Trustees

The year 2016-17 is one of the most significant years in the history of Lions Club of Jamalpur. All the permanent projects run by the Trust completed the year very successfully combating different challenges. All sponsored projects running successfully.

**LIONS SEVA EYE HOSPITAL** is the signature project of the Trust. The remarkable event of the year is the recognition of VISION 2020 –the apex body of Eye Hospitals of India as Institutional Member. The hospital was invited to participate in the National Annual Convention of VISION 2020 at Raipur. Chairman and Secretary of the Trust has got the rare opportunity to participate in two days convention which is a lifetime experience and helped a lot to gather latest knowledge and impart the same in our hospital.

Under Global Sight Initiative programme of SEVA Foundation Dr. Asim Sil, Medical Director & Programme Director and his team visited our hospital and guided us the way of improving the existing facilities and involve the hospital in Community Ophthalmology. Under the above project one employee has been deputed to Mentor Hospital VMNNN at Chaitanyapur for one and half year training programme. All costs of the training has been sponsored by the sponsoring organizations. We Convey our sincere thanks to Dr. Asim Sil and his team and SEVA Foundation.

Another important event is the visit of Quality Control Team consisting one Micro-biologist and Quality Manager of LVPEI, Bhubaneswar and guided us regarding the OT Protocol and Sterilization Process. This is a rare opportunity of an Eye Hospital. This was possible with active invention of OEU.

The partnership with Operation Eyesight Universal has been concretized with visit of Dr. Santosh Moses, Regional Manager, Asia and his suggestion to involve the hospital in more effective way to eradicate Preventable Blindness has helped a lot to extend the Community Ophthalmology programme in the Service Area of the hospital. We convey our heartfelt thanks to Dr. Moses and the entire OEU Team.

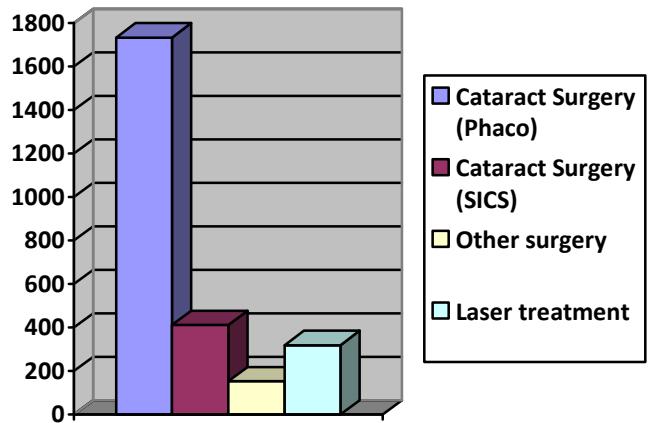

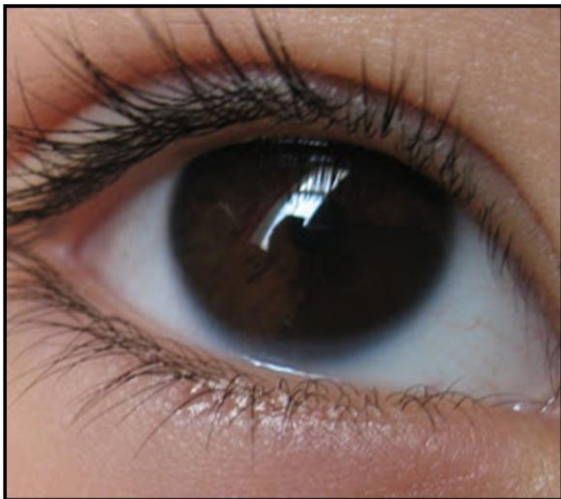

In addition to above activities the Hospital has stepped in a larger way to expand its base outside Burdwan district by establishing another Upgraded Vision Centre at Helan in the revenue district Hooghly which is under Lions District 322 C 1. The project is significant as Multinational Information Technology Giant Cognizant Technology Solutions tied up through their CSR wing Cognizant Foundation. The entire project was jointly planned and technically supported by Operation Eyesight Universal, Canada. This is second project supported by Operation Eyesight Universal. The project period is four years and shall work for eradication of Preventable Blindness in two project areas covering population of 50000 each in 52 villages. The main objective is to declare both the project areas as “ Blindness Free” before expiry of the project term. Another unique feature of the tie-up with OEU is sponsorship for skill development of the existing employees as well as newly recruited person at LVPEI, Hyderabad and Bhubaneswar. During the year one newly recruited person has completed one year Vision Technician course at LVPEI, Hyderabad and joined hospital. Another incumbent is now under training at Hyderabad. In addition, they have provided short course training to four employees on OT Sterilization and Counseling process at Bhubaneswar and Hyderabad respectively. OEU has sanctioned Rs.2.52 lakh for up gradation of OT Sterilization process.

Both the partners have taken huge initiative for up grading the facility and skill development of the employees. This has immensely helped the hospital to provide better service to the people and to fight against preventable blindness programme.

We are proud that we got the Institutional Membership of VISION 2020 , the premier organization in the Eye Care Sector which is a landmark achievement .

The performance of different departments of the hospital during the year 2016-17 is given in below noted table:

1	Pathological Tests	2789

**OTHER ACTIVITIES :** Ambulance Service – 30300 km , Oxygen Bank - 43 cylinders issued

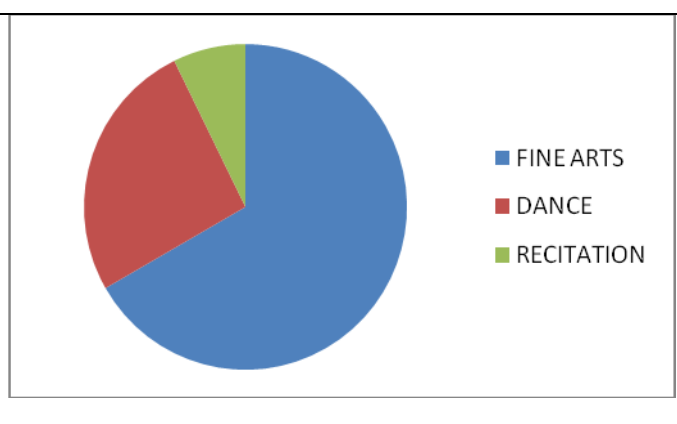

**LIONS ACADEMY:** A school of performing arts and culture established in 2014-15. The objective is to impart proper training to the students by trained faculty for exploring his/her talent and develop themselves to present their skill in proper standard so that they could compete at higher level. Presently Art, Recitation and Dance classes are regularly held at the equipped Class Room. In Art segment one of the faculties includes final year student of Burdwan Government Art College. Dance faculties are reputed trainer in Katthak dance and the other faculty is expert in light music and composer. The students have developed themselves and presented programme on invitation.

In addition the Hospital has its own Oxygen Bank which is prime source of supply oxygen among the people of the area at a subsidized rate. The Ambulance Project was established in 2002 and since then serving the local community at a very moderate rate. Board has decided to purchase a new Ambulance as the existing one is serving more than 15 years for providing more upgraded service to the patients.
